

A HELPING HAND TO GENERATE EXTRA BUSINESS

PRVLGE

ABOUT PRVLGE

PRVLGE is a global lifestyle and leisure club. Our goal is to drive business to our partners, at the times when they want some extra business, while at the same time delivering benefits, discounts, and privileges to our PRVLGE members.

Partners

The partners we work offer PRVLGE members benefits, discounts, and privileges across a range of businesses, services and price points, on days of the week or at times of the day when they want to drive more customers to their businesses.

Membership

A PRVLGE membership is a global membership and members can search our partners database to take advantage of the benefits, discounts, and privileges available wherever they are in the world, by presenting their digital membership card.

Social Responsibility

At the heart of everything we do is a desire to give back to the community. PRVLGE has a range of options to support community organisations, sporting clubs and charities in their fund raising efforts.

HOW CAN PRIVILEGE BENEFIT MY BUSINESS

No Costs

There is no cost to your business beyond the benefit, discount or privilege you want to offer to our members.

As a club we do not make any money from our partners. We derive our revenue from annual membership sales.

PRIVILEGE

More Customers

By promoting your business to our local and global membership, we can help you drive more customers to your business.

You choose the times of the day and the days of the week when you would like to see more customers.

One off promotions.

Our systems enable businesses to run one off promotions by way of electronic vouchers.

These vouchers can be redeemed in store and validated by your staff entering a code into the members phone.

Giveaways

Our partners are automatically entered into our regular partner giveaway draws.

We will also regularly purchase vouchers from our partners to give away to our members.

YOUR BUSINESS PAGE

Your business will have its own page in our searchable database.

Along with the information displayed in this example, there will be a gallery of additional images, opening hours, google maps, and an extensive description of the business.
